The Weather.

FOR KENTUCKY—Fair and warmer Saturday.

Cynthiana is in the midst of a red-hot Prohibition campaign. The temperance people pitched a tent on one of the streets to hold their meetings in and Mayor Ashbrook, who is a distiller, arrested the leaders and ordered the tent removed. An injunction was gotten out and the tent remains. The case will be tried Wednesday and the council has authorized the mayor to employ additional counsel to uphold his contention. In the meanwhile the struggle goes on with increasing bitterness.

A hundred defendants, corporate and individual, will be named, it is stated, in the bill of complaint which will be filed at New York in the United States Circuit Court in the action of the Government against the so-called tobacco trust, charging that it is a monopoly in restraint of trade, and, as such, is constantly violating the provisions of the Sherman anti-trust law. At the head of this list, it is said, will be the names of the American Tobacco Company and the Continental Tobacco Company, together with about sixty subsidiary corporations.

Geo. Schwartz, an Evansville man, who drank a quart of whiskey a day, wound up in an asylum. He claimed to be the champion booze fighter of Evansville.

Vice President Fairbanks jumped into Yellowstone Lake last week and saved from drowning a waitress who was struggling in the water.

Gen. U. S. Grant's youngest son, Jesse R. Grant, is a receptive candidate for President on the Democratic ticket.

Mary Ellison, col., was adjudged of unsound mind by a jury Thursday and ordered sent to the asylum.

It may then produce dyspepsia, catarrh, and marked tendency to consumption, before causing eruptions, sores or swellings. To get entirely rid of it take the great blood-purifier,

Automobile rides are getting to be more and more the fad, and horses are learning that there is no danger in their "rival."

The Louisville Times of Tuesday said that Mr. John Stites had been offered the chairmanship of the Board of Public Works of Louisville and that he would probably accept. Mr. Stites left Hopkinsville when quite a young man and has held many positions of honor and responsibility in the city of his adoption. He has been successful in everything in which he has taken a hand.

RAINED FROGS.

Shower of Toads Fell Near Beverly.

Following the hard rain Thursday the public road for a distance of two miles, near Beverly, was found to be literally alive with small frogs about an inch long that hopped about in countless numbers. It is believed that they fell from the clouds, though one scientist says the rain drove them out of the ground.

Not Saturday This Time.

I have noticed in several papers the Guthrie annual meeting has been given out for Saturday, Sept. 21, or Saturday, Sept. 28. This I suppose happens because we have always held this meeting on Saturday, but this year, for reasons best known to the management, we have decided to hold the reunion on Thursday, Sept. 26, and I hope you will refer to this frequently, so as to keep it thoroughly before the people.

Yours truly,
MRS. N. E. GREENE, Sec'y.
